PRISTINA – The Germia swimming pool will be opened to public on 15 July 2001 at 10:00 hrs.

The swimming pool was refurbished during the first months of this year. It has a capacity of 28 million liters, which makes it the largest swimming pool in Europe.

From 16<sup>th</sup> July, the Traffic Urban Company will start a special bus, route no. 4, to serve those wanting reach the Germia pool. This bus will have a special stop at the swimming pool. From that day no minibuses will be allowed to run on this route.

A series of activities are planned for Sunday and people from Prishtina are invited to participate in them.
