

#DROUGHTINSOMALIA

UNFPA
UN Population Fund

aims to provide support on a quarterly basis

The target is to assist vulnerable people affected by the drought
women and girls, IDPs, persons with disabilities

56,000 people

to receive sexual and reproductive health services

23,000 people

to be assisted with GBV prevention and response, including Mental Health and Psychosocial Support for women and girls

#DROUGHTINSOMALIA

UNFPA
UN Population Fund

1,000 young people reached through youth-related activities

UNFPA is also leading work to maintain the **supply of reproductive health commodities** amid the drought.

UNFPA needs \$19.5 million to support its response.

Information up until 16/05/2022
