

Working Towards Good Practices

NPA's Approach to Capacity Development of National Authorities

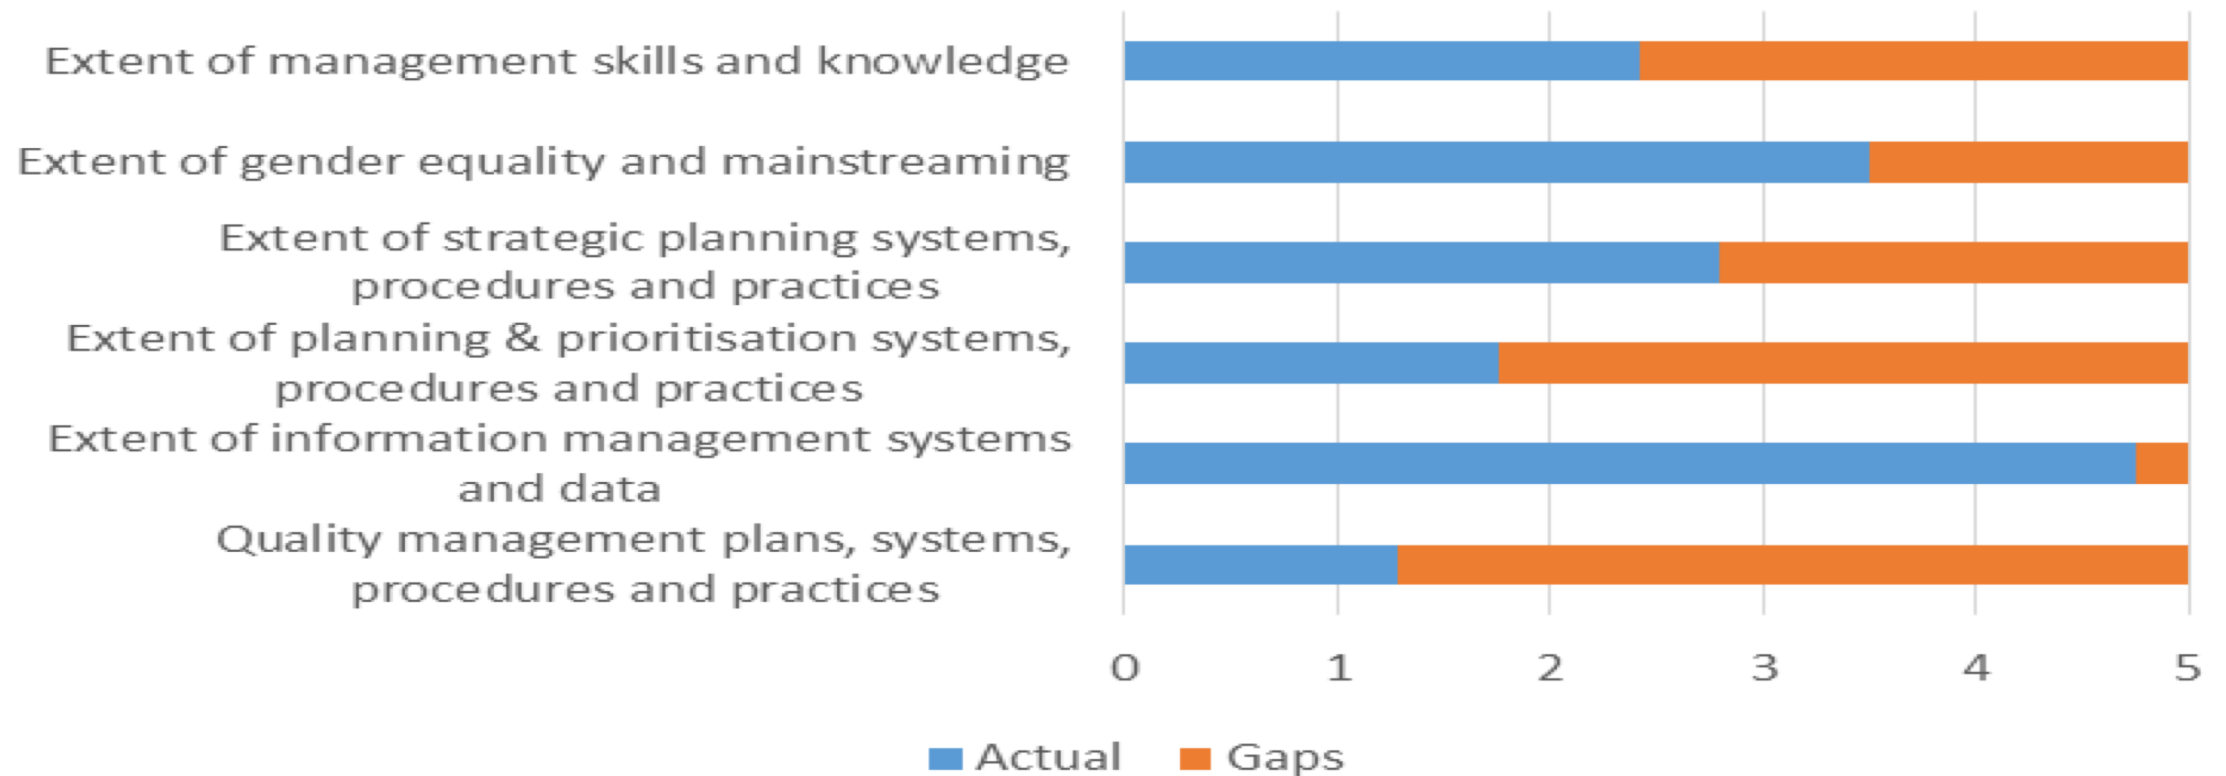

Why CD matters?

- Personal story (Turkey) - Value for money
- Mine action hard/soft laws say that “the primary responsibility for HMA rests with the government of the mine/ERW affected state...”
- SDG 16 aims to:
 - Reduce all forms of violence;
 - Find lasting solutions to conflict/insecurity;
 - Development of accountable and transparent national institutions.
 - HMA requires long-term solutions/competent institutions
