## **Statement by the UN Special Coordinator for the Middle East Peace Process**

Jerusalem, April 24 -- Terje Roed-Larsen, the United Nations Special Coordinator for the Middle East Peace Process, strongly condemned today's suicide bombing attack in the Israeli town of Kfar Sava. One person was killed and at least thirteen people wounded, several seriously.

Mr. Roed-Larsen called the terror attack "outrageous and cowardly" and expressed his sincere condolences to the victim's families. Mr. Roed-Larsen asked that the Palestinian Authority bring to justice the perpetrators of the attack, and that they take "immediate steps to de-legitimize such heinous attacks that produce nothing but misery and fear."
