

**Statement Attributable to the Spokesperson for the Secretary-General
on UNIFIL**

The Secretary-General strongly condemns the 8 January attack against a UNIFIL vehicle on the coastal highway near the town of Saida (Sidon), outside UNIFIL's area of operations. The attack lightly injured two military members of UNIFIL.

UNIFIL and the Lebanese authorities are cooperating and coordinating closely in the ongoing investigation. The Secretary-General hopes that the perpetrators will be swiftly identified and brought to justice.

The Secretary-General is deeply disturbed by this latest attack on UNIFIL. The security and safety of all UN personnel in Lebanon are of paramount importance.
