

**Statement by Robert H. Serry,
United Nations Special Coordinator for the Middle East Peace Process,
Following the attack in Hebron**

For immediate release

Jerusalem, 31 August 2010

The UN Special Coordinator for the Middle East Peace Process, Robert Serry, is shocked by the news of this evening's killing of four Israelis in an attack on a car in the West Bank. We condemn this murderous act and call for those responsible to be brought to justice. Robert Serry urges all parties not to allow the enemies of peace to derail the negotiations about to be launched, and to progress with determination and courage on behalf of both peoples, towards a final settlement.
